

# HERITAGE CLINIC HOLIDAY FUNDRAISER

Please join the Heritage Clinic in spreading Holiday Cheer! Many of the older adults we serve are without family and support this time of year. We are conducting a fundraiser so that we might provide gifts for our clients. We would very much appreciate any donation you can offer. Below are specific items we are requesting. Gift baskets will be assembled by our staff and delivered to the clients by their clinician. The Heritage Clinic thanks you in advance. Happy Holidays!
